## **No. 3 Reeds House – Chef's Menu**

This menu illustrates just a sample of the many dishes that can be prepared for you. Should you require any other dishes or if you have any special dietary requirements your chef will be pleased to discuss it with you.

Fortunately close to Reeds House is a fish market where freshly caught fish can be purchased. The fish listed are available subject to the fisherman's catch. Your chef will be happy to purchase fish for you.

\* Subject to seasonal availability

\*\* Dorado, known in the USA as Mahi Mahi, and known locally in Barbados as Dolphin (this is not Flipper)
